

Our Gaspereau Vineyards Riesling has been honoured with a Lieutenant Governor's Award for Excellence in Nova Scotia Wine three times, highlighting the fact that quality Riesling grapes are grown in Nova Scotia and that these grapes are used to make some of the top wines in the province year over year.

#### *Nose*

The nose shows a distinct mineral note interwoven with classic apple and floral aromas and a hint of white pepper. The aromatics on the nose elude to a classic Riesling palate, one that achieves balance between vibrant acidity and balanced weight.

#### *Palate*

The palate reveals a freshness and minerality that only Riesling grown in a cool climate can achieve. Notes of green apple and white pepper dominate the palate, while apple and kiwi notes with floral undertones are expressed with added notes of dried apricot and a soft acidity. Minerality is a pillar of this wine.

#### *Pairings*

Riesling finishes with a refreshing acidity, a lingering apple and mineral note with a balanced mouthfeel, making this wine perfectly food-friendly. Ideal pairings include cream and broth-based soups, pork roasts, seafood, sushi and various fresh cheeses.

#### *Notes*

Light straw in colour with a faint green hue, reflective and bright.

#### *Varietals*

Riesling
